Machine Two Machine Squared LLC (M2M²®)

Contract Data Facility Additional Expansion Update!

(MIAMI, FLORIDA, February 13, 2018) We continue to expand our Contract Data Facility, and have lit the 3rd set of process servers. We are now processing data through 24 dedicated, High Density Process Units. All units are managed and 100% under vendor contract. We plan to expand our facility over the next eight (8) months, and grow in intervals of eight (8) high density process servers per expansion. M2M²®, moving eight (8) times faster than the speed of light, into the world decentralized data processing.

Machine Two Machine Squared LLC (M2M²®) is a cloud based Data and Information Technology Company, that offers business access to a number of managed products. Things like Servers, Computers, Laptops, Tablets, Wi-Fi and Data networks, all come with support and maintenance. This functionality allow business to run smarter, faster and sharper, keeping the focus on growth.

As easy as 1, 2, 3.
