Alpha Site Planning

(MIAMI, FLORIDA, February 27, 2020), Today {Pirate Power LLC}, announced the planning of its Alpha Site. A location to produce and manage the energy needs of partners that share the vision of Carbon Neutrality. {Pirate Power LLC} is planning a solar / biogas facility to produce, manage and grow a renewable energy grid in south Florida. The Alpha Site will provide our group with 100% of the clean renewable power pledged by 2022. Stay tuned for new developments on the Pirate Power LLC Alpha Site.

{Pirate Power LLC} (wepiratepower.com) implements and manages several areas of renewable energy, based around solar, wind and biogas production. Combining power redundancy, while reducing the overall carbon footprint.
